

Client Situation

A large rail service provider could not resource the specialized engineering and project management talent required to complete a \$1 billion infrastructure expansion and upgrade project. Having exhausted recruitment in the domestic market, the company was seeking a new talent source.

CASE STUDY

A BTS Solution That Works

Solution

ManpowerGroup Solutions' Borderless Talent Solutions analyzed local talent markets across the world and identified the highest potential sources for the required talent. We leveraged our local expertise in the target markets to identify and attract the best individuals, filling all positions.

Results

- 100% fill-rate of specialized talent openings
- 100% on-time delivery

"MANPOWERGROUP SOLUTIONS' LOCALIZED TALENT ANALYSIS LOCATED HIGHLY SPECIALIZED INDIVIDUALS WORLD-WIDE TO FILL THE CLIENT'S SOURCING NEEDS."
